- 1. The Berlin Police President is under instructions from the Soviet Central Komendatura to detach from his effectives a sufficient number of personnel to staff the factory guards of three Soviet AG's in Berlin, among them the Kabelwerke Oberspree.
- 2. A pool of former Berlin Wachpolizei, for whom no provision has been made in the latest police budget, will be drawn upon for this task.
- 3. The Soviet AG's will be charged a lump sum of 588 DM (East) per month for each guard, to be paid to the police. These funds will be used by the police to pay for malaries, uniforms, and subsistence of the factory guards.
- 4. The GAI has prepared a standard form for contracts between the Police President and the individual SAGs covering the details of the arrangement.
